

GREAT GRANSDEN PARISH COUNCIL

SAFEGUARDING POLICY

Great Gransden Parish Council owns land and maintains playgrounds throughout the Parish. These land assets are open to the public, including children, at all times. The Parish Council has public liability insurance but people use the facilities at their own risk. Parents and carers are expected to supervise their children at all times. The Parish Council does not currently organise events for children.

Great Gransden Parish Council is committed to ensuring that children and vulnerable adults are protected and kept safe from harm whilst they are engaged in any activity associated with the Parish Council.

Definitions:

Children & Young People

Anyone under the age of 18 years.

Vulnerable Adult:

Anyone over 18 who is:

- Unable to care for themselves
- Unable to protect themselves from significant harm or exploitation
- Or may be in need of Community Care Services.

Policy Objective:

- To ensure that where possible all facilities and activities offered by the Parish Council are designed and maintained to limit risk to children and vulnerable people.
- To promote the general welfare, health and development of children by being aware of child protection issues and to be able to respond where appropriate as a local government organisation.
- To develop procedures in recording and responding to accidents and complaints and to alleged or suspected incidents of abuse and neglect.
- As the Parish Council does not directly provide care or supervision services to children, it expects all children using its facilities to do so with the consent and the necessary supervision of a parent or other responsible adult.

Aims

The aim of this policy document is to guide members of Great Gransden Parish Council should any child protection issue or any issues with vulnerable adults arise during their work.
